**EXTRACTION –** If you decide to retrieve your grain from warehouse, you will not receive the same grain you put into the system. You will however receive the same grade and quantity for outturn.

**MONTHLY CHARGES –** Storage charges commence 1 January 2017 and will be charged from then on the 1<sup>st</sup> day of each month grain remains in storage. If you do not wish to incur warehouse fees please ensure you sell your grain prior to the 1<sup>st</sup> of each month. If incurred, the warehouse charges will be deducted from your payment when grain is sold out of warehouse.

**REPORTING –** If you would like a summary of your warehoused grain please email [tmontgomery@agrigrain.com](mailto:tmontgomery@agrigrain.com)

All other terms and conditions of warehousing as per the GTA Storage and Handling Agreement Effective from 1<sup>st</sup> Nov 2015.
