*Storage charges commence 1 January 2020.

**Carry over fee will be charged monthly from 1/10/2020 until stock is out turned.

All fees are quoted as AUD per tonne. All fees quoted are exclusive of GST.

EXTRACTION If you decide to retrieve your grain from warehouse, you will not receive the same grain you put into the system. You will however receive the same grade and quantity (less shrink) for outturn.

MONTHLY CHARGES Storage charges commence 1 January 2020 and will be charged from then on the 1st day of each month grain remains in storage. If you do not wish to incur warehouse fees please ensure you sell your grain prior to the 1st of each month. If incurred, the warehouse charges will be deducted from your payment when grain is sold out of warehouse.

REPORTING – If you would like a summary of your warehoused grain please email trade@agrigrain.com

All other terms and conditions of warehousing as per the GTA Storage and Handling Agreement Effective from 1st Nov 2015.
